LUTHERAN FOUNDATION OF THE SOUTHWEST TOTAL ASSETS AND RELATED ASSETS AS OF 12/31/2020

\$131,779,974

- LFSW Balance Sheet
- Legacy Gifts
- Fund A

"And God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work." – 2 Corinthians 9:8

Dear Friends,

2020 threw several challenges at us, and with the help of God and our Lutheran Foundation of the Southwest team, we were able to overcome and redefine "normal" and have another record breaking year.

We did over \$20.48 million of legacy planning, an increase of \$1.96 million over 2019. The total breakdown is as follows: \$164,575 of current gifts developed and paid out in 2020; \$2.62 million of currently funded endowments, charitable trusts, and managed assets; and \$15.58 million of legacy gifts. We also worked with congregations that invested over \$2.1 million in the ELCA Fund A investment fund.

"LFSW works to Recognize, Inspire, Facilitate, and Teach Legacy Stewardship."

As always we will listen to the charitable passions of the donor and the donors' vision of how they want to help the ministries near and dear to their heart, and take care of their families. We will facilitate in their quest to create a meaningful legacy plan.

Thanks to our Donors who are changing the world, one legacy plan at a time.

Thanks to our strong Sponsors, Board of Trustees and Staff, as we continue to grow and spread our ministry.

Blessings,

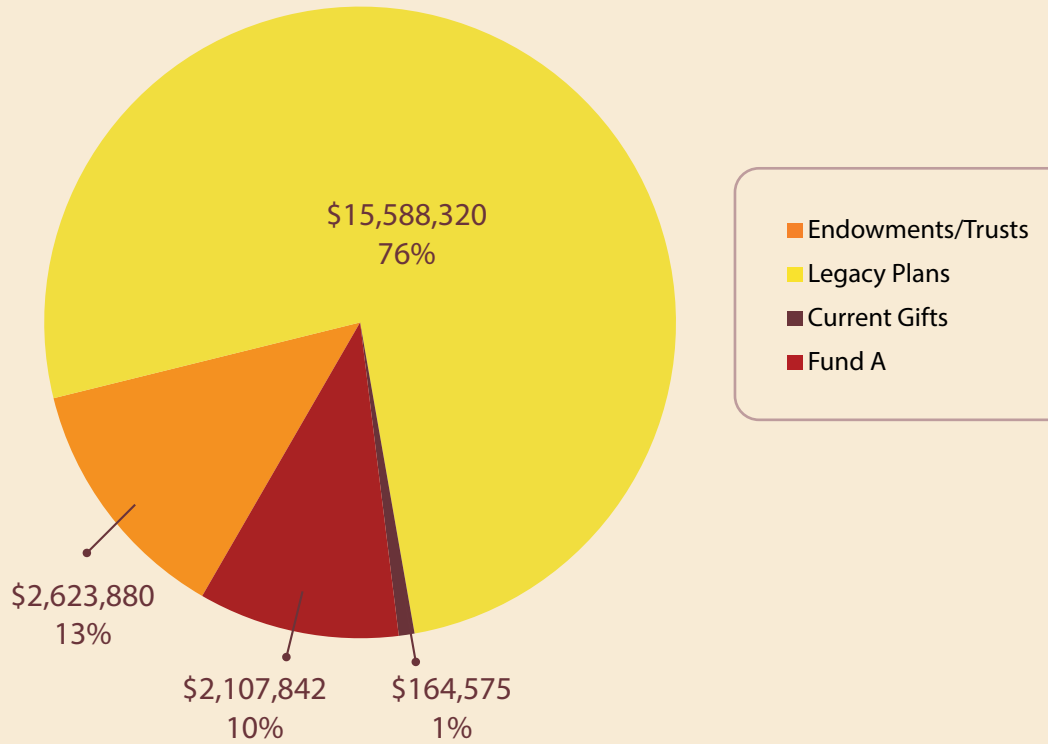

A handwritten signature in black ink, appearing to read 'Mark S. Armstrong'.

Mark S. Armstrong
Executive Director

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Lutheran Foundation of the Southwest:

We have audited the accompanying financial statements of Lutheran Foundation of the Southwest (the "Foundation") (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
